

Academic year 2008 – 2009;

Update (February 2009) from ABTS Student: *Amani Kamal – From Egypt*

Dear brothers and sisters,

First of all, I would like to thank you in the name of Jesus Christ for all your kindness and gracious support!

My husband and I are members of the Hadath Baptist Church where we regularly attend and serve. We are plugged in the Sunday school ministry and have been involved in various house prayer groups. We often go walking in the streets of Beirut praying for the salvation of the Lebanese people. Likewise, we are involved in a weekly prayer meeting for the seminary, its students and faculty and for all the native countries where ABTS students come from.

God constantly blesses me through many different ways. He has been blessing me through my personal quiet times everyday. I am currently studying the book of Psalms. God is also helping me understand and recognize my strengths and capabilities. I feel that I am talented in caring for others and in counseling families and children. I hope and pray that God will open a way in the future where I can be serving through such ministries.

Brothers and sisters, I ask you to pray with us:

- We need your prayers as a family to know how to manage our time between serving in different ministries and studying.
- Pray that we would always live according to God's will and desire.
- We need prayer for our children to adjust in this new country, school system and all.
- We also have a vision (My husband and I) for missional work and we want the Lord to guide our steps.

May God bless you always

Your sister,
Amani Kamal
