### **Drug Proof Your Kids with Jim Burns**

It's almost certain the majority of young people will try drugs by age 18. Most parents and caretakers don't have the necessary information or plan to help kids make wise decisions about drugs and alcohol use. Drug Proof Your Kids will give you the practical and Biblical steps to head off or, if necessary, work through a drug crisis. Dr. Burns' information will help parents and caretakers deal with the prevention, intervention and education on this important topic.
